

Rural Restorative Lighting Landscape Lighting options:

Lighting requirements specification: ≤3000K, ≤40W, ≤4000 lumens mounted at ≤5m, angled downward, ideally with a sensor option but may not always be suitable.

Floodlight farmyard retrofit alternatives:

1. [PRO/RIF 50W REGOLABILE 3K Projector \(beghelli.it\)](http://beghelli.it)
Beghelli FH-M 40800 Flood: 3000k colour light
Four different light settings-energy saving; less chance of over illuminating. Sturdy fitting and bracket-also deep body with the led's set further back-less chance of light spill.
2. [Prelux-Valo-PXVALO40W-40W-2000K-5000Lm.pdf \(ecilighting.ie\)](http://ecilighting.ie)
Prelux Valo fitting, 2000k light colour. Can be used with or without photocell.
Bracket available to allow it to be mounted on the corner of a shed/building thereby lighting up 2 sides.
3. [ECI Lighting | Viper CCT LED Wallpack Prelux-Viper-PXVIPER.pdf \(ecilighting.ie\)](http://ecilighting.ie)
Prelux Viper fitting, light colour selectable so 3000k can be selected. Light output is almost horizontal so there should be very little light spill. Available as standard or with photocell. 5-year warranty.
4. <https://www.linealight.com/en-gb/products/prolamp/82270W12>
Prolamp 1 array LED extra wide flood. Outdoor 40 W 3000K.

Footpath/outside stables residential and commercial environments lighting:

1. [Prelux-Campsbay-Single-PXCAMPSBAYS.pdf \(ecilighting.ie\)](http://ecilighting.ie)
Prelux Campsbay Single light ftg. 3000k light colour
Low light level. Might be suitable for along a footpath/outside horse stables.
2. [Promo2016 modern_0916.indd \(ecilighting.ie\)](http://ecilighting.ie) Downward lighting option.
This would be suitable for low level lighting along footpaths/stables.
It is made of a resin material so it will not flake and, the lamp used inside it can be replaced.
3. [https://www.lumenpulse.com/products/2751/lumenbeam-medium](http://www.lumenpulse.com/products/2751/lumenbeam-medium)
Corrosion-resistant option suitable for hostile environments; salt spray, harsh chemicals, and extreme outdoor exposure. 5-year warranty. Adjustable.
4. <https://www.iguzzini.com/ep77/>
Adjustable, 23W 3000k
5. <https://www.bega.com/en/products/outdoor-luminaires/wall-luminaires/wall-luminaires-with-directed-light-24218/?product-finish=coating-graphite&colour-temperature=3000&product=24218K3&tab=info>
Wall light. Low light paths 8W, 3000k, adjustable
6. <https://www.lucelight.it/en/prodotto.php/1329?a=KA3111FFF&aggiornamento=1>
Wall mounted outdoor application, single beam, 18W, LED 2700K.
