

Carpe Noctem!

Become a Mayo Dark Sky Ambassador !

Free training workshop
28th September 2023 | Mulranny Park Hotel
10am - 5pm (approx), Lunch included

Learn more about the Mayo Dark Sky project on this fun and informative training day for community volunteers.

Rewilding our night skies helps restore habitats under threat and provides us with a healthier environment to live and work in. Join our expert trainers from the UK and Ireland for this one day certified ambassador programme and let's combine our collective effort to "Carpe Noctem"

Workshop Contents:

- What are Dark Skies?
- Mayo Dark Sky Festival
- Our Volunteer Programme
- Ecological Light Pollution
- How to measure Dark Skies in your area?
- Responsible Lighting & Assessments
- Communicating Dark Skies to Stakeholders
- Stargazing Resources
